

Sunday Worship

Each Sunday, our children will begin worship sitting with their families. During the service, they will be called forward to listen to a message tailored for them from the morning's scripture lesson. After the children's time, they will be dismissed to go to class or to return to their families. Please note we have copies of Spark Bibles in the pews for our children to use during the service. We also have available coloring sheets and crayons in the narthex for children to enjoy during worship.

Sunday School

Our children will return to the age ranges and curriculum, as listed below. Please note we have teams of captains leading our teams of teachers for each grade.
